An Org can buy and sell on the marketplace

It cannot own companies since it cannot progress past Level 1.

It has storage capacity for 1,000 items, which is the default minimum

An Org can...

Make friend requests.

Send in-game PMs.

Donate items, money and gifts.

Travel.

Buy and sell on the marketplace

Including the monetary market (buy/sell gold).

Has default minimum storage capacity: 1,000 items.

Cannot progress past Level 1, hence cannot own companies.

A Player can...

Not send a PM to an Org, as far as I can tell,

even if the Org is a Friend.

Not send money or gold directly to an Org.

How to "send" money to an Org...

The Org purchases some raw materials.

It posts for sale 1 RM at the price to be sent to the org

+ the VAT % for its country of residence.

Participants will need to decide how to manage the tax penalty.
